Re: March 2007 Treatment Operator Certification Exam Analysis

The following results are from the June testing cycle which is divided into three regional areas: Northern, Central and Southern Nevada. These results are in addition to the Distribution results sent in a separate Memo. The exam results were reviewed and an analysis was completed based on the June 13th, 2007 exam scores for Water Treatment Operators of Nevada. For each testing cycle, the intention of each analysis is to provide instructors with feedback on areas of deficiencies identified for the state.
